

## Aluminium Hose Reels

PROFESSIONAL GRADE, WITHOUT THE WEIGHT

Coxreels' Alumi-Pro Series™ "Aluminium Professional-Grade" spring driven hose reels have the strength of steel without the weight! The Alumi-Pro™ series is modelled after Coxreels' popular P Series line of hose reels, but are uniquely constructed out of high quality aluminium. They're compact, lightweight and non-corrosive making them the perfect choice when polypropylene or plastic hose reels are not the preferred choice.

### FEATURES:

- Industrial strength powder coated aluminium construction
- Compact space saving size
- For applications that require professional grade strength without the weight
- Swivel seals: NITRILE
- Auto rewind easily wraps, stores and protects hose
- Lightweight aluminium base and support post
- Factory-matched cartridge-style spring motor
- BSP swivel inlet machined from solid brass
- 1" solid steel axle with 1" lubricated precision bearings
- Multi-position lock ratchet secures hose at desired length
- Non-corrosive stainless steel spring, pawl and zinc plated ratchet
- Supplied as bare reel - Hose extra
