

Environmental Policy Statement

Redashe Limited is committed to minimising the impact of its activities on the environment.

The key points to the company strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its vehicle fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Company decisions will be made, considering environmental aspects in balance with economic effects and user benefits.
- Meet or exceed all the environmental legislation that relates to the Company.
