

## ZFNL3ST 3pc Plastic Funnel Set

3-piece Multipurpose Funnel Set is built for fast and mess-free fluid transfer. Made from durable polypropylene, each funnel is tough, lightweight and easy to clean.

### FEATURES:

- Set includes an Orange Quick-Fill Funnel (10-11/16", 12.5 mm spout), a Yellow Multi-Purpose Funnel (5-4/16", 29 mm spout), and a Red Radiator Funnel (7-13/16", 25.7 mm spout).
- High rim design works as a splash guard, helping to prevent spills
- Built-in hanging hook allows for simple storage
- Ideal for oil, coolant, transmission fluid, and more. Perfect for automotive tasks, household use, and DIY projects.
- Do not use with: Acids & other media at temperatures above 60°C (140°F)
