Magnetic Can Holder

The Redashe Can Holder with magnets is a highly reliable storage solution designed for securing spray cans, spray bottles and other similar objects. Equipped with N52 neodymium rare earth magnets, it offers an exceptionally strong and secure hold, ensuring containers remain in place even in most demanding environments. With a maximum diameter capacity of 3-11/32" (85 mm), it can accommodate a wide range of items. The holder has a maximum load capacity of 10 kg (22 lbs.), making it suitable for heavier items and is a useful addition in workshops, industrial settings, and garages.
