

Reelworks - 460 Series

The 460 series is a high performance hand cranked hose reel constructed in heavy gauge powder coated steel for use in most low/medium pressure applications. This reel is ideally suited to carry up to 105m x $\frac{3}{8}$ " jet wash hose, with floor, wall and vehicle mount options.

FEATURES:

- Designed for industrial applications where longer lengths of hose are required
- Constructed in heavy gauge powder coated steel
- Adjustable drag brake, full flow swivel joint
- Open hose slot drum design, removable crank handle
- Spring loaded lock pin prevents hose from de-reeling
- Fold flat handle option
- Full flow swivel assembly
- Supplied as bare reel, hose available at extra cost (Application required).
